The screenshot shows a Microsoft PowerPoint presentation slide with a yellow background. The slide title is "NATIONAL DIGITAL LIBRARY (NDL)". The content includes two bullet points:

- The National Digital Library of India (NDL) is a project to develop a framework of virtual repository of learning resources with a single-window search facility.
- There are more than 3 crore digital resources available through the NDL. The contents cover almost all major domains of education and all major levels of learners including life-long learners.

A user profile card for Dr Anita. It features a teal circular avatar with the letter 'D' and the name 'Dr Anita' below it. A small orange icon with three dots is in the top right corner.
