workshop on world computer literacy day (2nd December, 2021)

A brief report:

International day of sign languages (IDSL) is celebrated annually across the world on 23 September. Students of sadguru education society's College of Education, jalgaon . organized an online webinar on this occasion to support and protect the linguistic identity and cultural diversity of all deaf people and other sign language users. Mr.Vishal Mantri a renowned sign language expert was invited as speaker to grace the occasion. Many signs and symbols of language were taught and learnt in the session. It was a great learning experience for all of us. The session was ended with motivational words of our respected principal Dr. Anita wankhede ma'am . Information related to several websites and courses available to learn for sign language was also shared with the student . it was a very informative session for all of us.
